Dear Jerry;

I will just write a short note,  
there was something I forgot to ask  
you yesterday. The judge has ruled  
that you are a friend can have a  
seat in the court at the trial, why  
don't you write to his court clerk  
and ask him the details about it,  
whether you have to use the seat  
as a friend. Just write to, clerk  
of the court, Judge W. Preston Battle  
Criminal Court Bldg. Memphis Tenn.

Yours truly

Jerry

Let me know if a friend can use the seat  
when you next. Also how many seats you will get.

over.

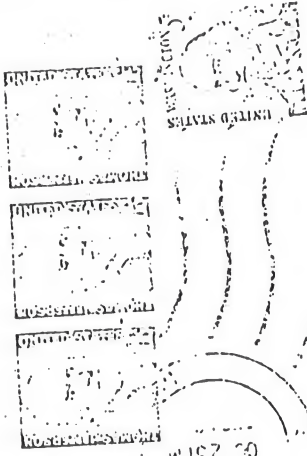

pg 1.

P.S.

The paper said that the judge gave  
3 or 4 seats to people who are writing  
books, but it didn't give their names.  
When you write to the court clerk ask  
him who the authors names are. I  
suppose someone people that were  
recommended by the Justice Dept.  
If you can't get this information let me know  
and I will ask Home about it.
